APPLICATION FOR DUTY-FREE CONCESSION FOR HURRICANE RELIEF ON BUILDING MATERIALS

The Government of the Federation of St. Kitts and Nevis has decided to grant a concessionary package of Duty Free Concessions to provide relief to citizens and residents who have suffered damages to their properties during the passage of Hurricanes Irma and Maria.

Please be advised that this concession is for the period of six months ending **March 31, 2018**.

It includes concession from the payment of **Import Duties and Customs Service Charge** on the purchase and importation of building materials for use in the repair of properties damaged **solely** by the passage of Hurricanes Irma and Maria. Approved Applicants will be required to pay the **Value Added Tax of 17 percent**.

The approval process will include the completion of the Application Form at the Ministry of Finance. This Application Form must be accompanied by a **Bill of Quantities** which outlines the full list of materials needed to complete the repairs. This form will be submitted to the Departments of Disaster Management and Physical Planning for inspection and verification after which an approval will be provided by the Ministry of Finance.

Mission Statement

To take the leadership role in promoting and maintaining financial and economic stability through more effective management of debt and fiscal accounts, prudent management of limited resources, and the development and implementation of sustainable programmes aimed at improving the quality of life for all Nevisians.
